COOPERATE WITH US AND MAKE THIS THE MOST SUCCESSFUL FAIR THAT WE HAVE EVER HAD!

As president of the Sanford Lions Club, I wish to extend to every man, woman and child a cordial invitation to visit the Fair this year, and also to prospective exhibitors to cooperate with us in every way possible by exhibiting their products. We hope and believe that every citizen in Lee County will do their bit towards making this fair the best in its history.

It is our desire to extend every courtesy possible and to do everything in our power for one of real pleasure and enjoyment. We have a contract with the Bantly's All-American Shows who were here last year. They again have all the modern riding devices and an aggregation of clean shows. Our free acts program will more than please as no better acts can be had for a Fair even much larger than ours. Our exhibits will be interesting and educational and we want you to make an exhibit this year. Even though it be small, just something that you raised yourself.

Thanking you in advance for your cooperation and trusting to see you on the Fair Grounds, I am,

Very sincerely yours,
W. O. SPENCE,
President Sanford Lions Club.

LETTER FROM COUNTY AGENT

Lee County is fortunate in having a civic organization that realizes the importance of showing what is being done in the county in the field of agriculture.

I feel that our people are greatly indebted to the Lions Club, and I want to encourage them to begin selecting their exhibits as early as possible.

A good agricultural fair is an asset to any community. By seeing what others are doing encourages us to make the best better. By seeing good exhibits, which can only be secured by proper selection, make us aware of the fact that we too should be grading our commodities before offering them for market. Poor prices are usually a result of poor grading. The educational part alone is worth the time and trouble even if there were no prizes offered.

I wish to pledge my full support to the Fair and expect to spend much time in the field helping in the selection of exhibits.

Very truly yours,
J. P. KISER, County Agent.

LETTER FROM HOME DEMONSTRATION AGENT

Dear Lee County Women:

You will want to show your fine home products in the many departments at the Lee County Fair. May I suggest that you study the premium list and mark items which you have. Then, select your very best. Make whatever you have look as attractive as possible.

On Monday of Fair Week bring your entries. There are more prizes this year. Putting up a fair is always fun for the whole county. Come in to meet your old friends and make new ones.

Yours very sincerely,
CORNELIA SIMPSON

A LETTER OF APPRECIATION

As General Chairman of the Lee County Fair, I want to thank each one for every thing he or she has done or might do in making our Fair the success we are looking forward to.

The subscribers to advertising space, the farmers who enter their exhibits and the loyal work and support of both our County Agent, Mr. J. P. Kiser and Home Demonstration Agent, Miss Cornelia Simpson are all sincerely appreciated. We also want to take this means of thanking all the Home Economics teachers and Agricultural teachers in our County. The very fine spirit of cooperation of each member of our club will be a large factor in its success.

I want to add in conclusion that the money made from this event will be used for various charitable causes in our County, so come out and help a good cause.

Sincerely yours,

DELA F. HARRIS, Jr., Gen. Chmn.

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my own business it is not necessary to tear down another's, to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action toward my fellowmen, to resolve such doubt against myself.

To hold friendship as an end and not a mean.

To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing, but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give to them my unswerving loyalty in word, act, and deed.

To give them freely of my time, labor, and means

To aid my fellowmen by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

To be careful with my criticism and liberal with my praise, to build up and not destroy.
